Surveillance Consent Form – L2P Vehicle

Purpose To ensure the safety of all occupants and the public, the L2P vehicle is equipped with a dashcam that records video (inward and outward facing) and audio. This form confirms your understanding of the *Surveillance Devices Policy (G009)*.

Conditions of Use

- **Mandatory Operation:** The dashcam must remain active for the duration of every driving session in the L2P vehicle.
- **Confidentiality:** Footage is strictly controlled. It is automatically overwritten (e.g., every 30 days) unless preserved for an investigation.
- **Restricted Access:** Footage is only accessed by authorised personnel (e.g., Program Coordinator, General Manager) in the event of a collision, complaint, or formal incident report.

Consent Declaration

I consent to being recorded (video and audio) while using the L2P vehicle for the purposes of safety, training, and risk management.
