House Cleaning Services

The WORK WORK

“The Work “a Northern Suburbs Community Centre Social Enterprise initiative

Is this you? Tired of the same old cleaning routine? Why not hire us to do it for you!

Cleaning Service

General house cleaning

- Vacuum all floors
- Wipe all surfaces (sink, benches, stove top etc.)
- Dusting
- Mopping
- Bathroom and toilet
- Cobwebs

Extra work including walls, inside windows, ovens, ironing etc to be negotiated

Why choose us?

Northern Suburbs Social Enterprise is a community owned business based on the principles of leadership, sharing and learning.

Our business is to grow healthy communities through a culture of fresh produce, healthy food, shared stories and inclusion.

We grow fruit and vegetables to sell to the surrounding community. We help our community maintain independence through our garden maintenance & cleaning service. We cook together using our cultures to share stories and recipes.

To find out more pop in to the garden and say hi!

Quality assurance

“The Work” team aim to provide customer satisfaction by:

- Ensuring your home is left fresh, clean and germ free at end of job
- Workers/volunteers sign a confidentiality agreement, worker work in pairs at all times
- Requesting all workers have a current police check
- Constantly monitoring our work and rectify any issues promptly
- A commitment to yours and the workers health and safety at all times
- Offering a safe chemical use approach to our service at all times
- Offering a friendly service that is committed to supporting our community

The Work Mission Statement
Vocational training opportunities for the community to provide skills leading towards paid work or self enhancement

We need and welcome all volunteers
